Profile of Services

- ✓ Georgia Health Store is a free informational site operated by insurance professionals in hopes of keeping people fully insured at the best possible rate.
- ✓ We aim to educate families, business owners, and self employed individuals to find the right policies for themselves.
- ✓ We represent a variety of insurance carriers in the areas of health, life, and disability insurance and can provide a custom policy based on your individual needs or the needs of the organization.

Market Profile

- ❖ Small businesses (generally under 10 employees) and self employed individuals who would like to take advantage of the tax savings from having a properly structured medical policy for themselves and their employees.
- ❖ Licensed to provide insurance protection to residents of the state of Georgia.
